SPECIAL FEATURES OF THE AUTOMOBILE LAW
OF 1905.

The owner, not the machine, is registered, and retains his registration number under all circumstances. Every machine used by him must bear this number.

Every Connecticut automobile owner must register in his own state, and every machine must carry two markers displayed in a conspicuous place and manner, one in the rear, securely fastened so as not to swing, the other in front, also securely fastened.

No markers are legal, except those furnished by the Secretary of this State, as by law provided. Any attempt at evasion of this provision renders the offender liable to a fine of fifty dollars.

Officers of the law should be thoroughly familiar with this statute, and see to it that all its provisions are fully complied with.

THEODORE BODENWEIN,
Secretary.

State of Connecticut

GENERAL ASSEMBLY,
JANUARY SESSION, 1905.

[SUBSTITUTE FOR HOUSE BILL NO. 60.]

CHAPTER 230.

AN ACT

Concerning the Registration, Numbering, Use, and Speed of
Motor Vehicles.

*Be it enacted by the Senate and House of Representatives in
General Assembly convened:*

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road rollers, fire engines, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

SEC. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state a statement of his name, residence, and post office address, on a blank furnished by the said secretary for that purpose, and shall obtain from the said secretary a numbered certificate, which certificate shall state the name of such owner and that he has registered in accordance with the provisions of this act.

SEC. 3. Every such motor vehicle, except motor bicycles, shall, at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner, securely fastened so as not to swing, upon both the front and rear of such vehicle, a plate or marker, which shall be obtained from the said secretary as hereinafter provided, and which shall bear the initial letter of this state and the number of the certificate issued to the owner of such motor vehicle, the letter and figures thereon to be four inches high and each stroke thereof to be one-half inch wide, and at all times unobscured.

[Sec. 3, amended by chapter 282, following.]

SEC. 4. Every motor bicycle shall, at all times while being used or operated upon the public highways of this state, have displayed thereon the initial letter of this state and the number of the certificate issued to the owner of such motor bicycle, such letter and figures to be at least one inch high and either painted on such motor bicycle or displayed on a plate or marker securely fastened thereto.

SEC. 5. The said secretary of the state shall keep a record of all statements filed with him, and of all certificates issued by him, which record shall be open to public inspection; he shall furnish from time to time, at cost price, to any person registered under the provisions of this act, as many plates or markers as may be required by such person for display upon the one or more motor vehicles, except motor bicycles, owned by him at the time of such registration, or thereafter acquired, the number on such plates or markers to be the same in every case as the number of the certificate originally issued to such person under the provisions of this act; and in the event that any certificate issued by the said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate has been thus lost or destroyed a duplicate thereof, bearing the same number as the certificate originally issued to such person.

SEC. 6. A fee of one dollar shall be paid to the said secretary of the state for each original or duplicate certificate issued by him in accordance with the provisions of this act.

SEC. 7. No license, permit, or registration shall be required of the owner or operator of any motor vehicle except in accordance with the provisions of this act, nor shall any such vehicle be required to be marked in any way except in accordance with the provisions of this act; but nothing in this section contained shall apply to such motor vehicles as are offered to the general public for hire.

SEC. 8. Any nonresident of this state who shall have complied with the laws of any other state or territory of the United States requiring the registration of owners of motor vehicles, or of motor vehicles, or of both, and the display of identification numbers on such motor vehicles, and who shall cause the identification numbers of such state or territory, in accordance with the laws thereof, together with the initial letter or letters of the state or territory issuing the same, to be displayed on his motor vehicles while used

or operated upon the public highways of this state, may use such highways, for a period not to exceed fifteen days in any one year, without complying with the provisions of the foregoing sections of this act; provided, however, that if any nonresident shall be convicted of violating any provision of section ten or section eleven of this act he shall thereafter be subject to and required to comply with all the provisions of sections two, three, four, five, six and seven of this act.

SEC. 9. No prosecution based upon sections two, three and four of this act shall be brought for any offense committed prior to August 1, 1905.

SEC. 10. No person shall operate a motor vehicle on the public highways of this state at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger property or the life or limb of any person, or, in any event, within the limits of any city or borough at a greater rate of speed than one mile in five minutes, or outside the limits of any city or borough at a greater rate of speed than one mile in three minutes.

SEC. 11. Upon approaching any person walking in the traveled portion of any public highway, or a horse or any other draft animal being led, ridden, or driven therein, or a crossing of intersecting public highways, or a bridge, or a sharp turn or curve, or a steep descent, and also in passing such person, horse, or other draft animal, and in traversing such crossing, bridge, turn, curve, or descent, the person operating a motor vehicle shall have the same under control and shall reduce its speed. If such horse or other draft animal being so led, ridden, or driven shall appear to be frightened, or if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same and the motor or other power propelling the same immediately to a stop and, if traveling in the opposite direction, shall remain stationary so long as may be reasonable to allow such horse or animal to pass, or, if traveling in the same direction, shall use reasonable caution in thereafter passing such horse or other animal.

SEC. 12. No city, town, or borough shall have any power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to

motor vehicles shall have any force or effect; provided, however, that powers given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers shall remain in full force and effect.

SEC. 13. In all complaints for the violation of any provision of this act the justice of the peace before whom the same shall be tried shall have jurisdiction and power to render judgment therein, and issue process of execution and mittimus thereon, where such fine or penalty imposed shall not exceed two hundred dollars, or imprisonment for thirty days, or both; but the defendant shall have the right of appeal as in other cases.

SEC. 14. Any person violating any provision of sections ten and eleven of this act shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both, for a first offense, and shall be fined not more than five hundred dollars, or imprisoned not more than sixty days, or both, for any subsequent offense. Any person violating any other provision of this act shall be fined not more than fifty dollars.

SEC. 15. Chapters 107 and 108 of the public acts of 1903 and all other acts and parts of acts inconsistent herewith are hereby repealed.

SEC. 16. This act shall take effect July 15, 1905.

Approved July 13, 1905.

State of Connecticut

GENERAL ASSEMBLY,

JANUARY SESSION, 1907.

CHAPTER 221.

AN ACT

Concerning the Registration, Numbering, Use, and Speed
of Motor Vehicles and the Licensing of
Operators of such Vehicles.

*Be it enacted by the Senate and House of Representatives
in General Assembly convened:*

TERM "MOTOR VEHICLE" DEFINED.

SECTION 1. Whenever the term "motor vehicle" is used in this act, except when otherwise expressly provided, it shall include all vehicles propelled by any power other than muscular, except road-rollers, street sprinklers, fire engines and apparatus, police patrol wagons, ambulances, and such vehicles as run only upon rails or tracks.

STATEMENT AND CERTIFICATE.

SEC. 2. Every owner of one or more motor vehicles shall file in the office of the secretary of the state on a blank furnished by said secretary a statement of his name, residence, and post office address, and a brief description of each motor vehicle owned or controlled by him, including the name of the maker, the number, if any, affixed by the maker, the character of the motor power, and the amount of such motor power stated in figures of horse power as advertised by the maker thereof, and such other information as shall be required by said secretary. The said secretary shall then

register such motor vehicle, assigning to it a distinguishing number or mark, and shall thereupon issue to the owner thereof a certificate of registration which shall contain the name, place of residence, and post office address of the owner, and the number or mark assigned to such motor vehicle, and such certificate shall at all times be carried upon such motor vehicle and shall be subject to examination upon demand by any proper officer. The certificates provided for in this section and in section three shall continue in force until one year from the date of issue, and upon the renewal of any such certificate said secretary shall reassign the distinguishing number or mark contained therein.

REGISTRATION BY MANUFACTURERS AND DEALERS.

SEC. 3. Every manufacturer of or dealer in motor vehicles may, instead of registering each motor vehicle owned or controlled by him, make application to said secretary for a general distinguishing number or mark, and said secretary may, if satisfied as to the facts stated in said application, issue to the applicant a certificate of registration containing the name, place of residence, and post office address of the applicant, and the general distinguishing number or mark assigned to him; and all motor vehicles owned or controlled by such manufacturer or dealer shall, until sold, or let for hire, be regarded as registered under, and have assigned to them, such general distinguishing number or mark. Manufacturers or dealers shall not be required to carry such certificates upon the vehicles registered under the provisions of this section, but every person operating a motor vehicle registered under the provisions of this section shall display on such vehicle, in such manner as the secretary may prescribe, the operator's license number assigned to such person.

MARKERS TO BE DISPLAYED ON FRONT AND REAR OF MOTOR VEHICLES.

SEC. 4. Every motor vehicle, except motor bicycles, shall at all times while being used or operated upon the public highways of this state, have displayed in a conspicuous place and manner a plate or marker, entirely unobscured, and

securely fastened, upon both the front and the rear of such motor vehicle, the plate or marker on the rear thereof to be fastened so as not to swing. Said plates or markers shall be obtained from the secretary of the state as hereinafter provided, and shall bear the initial letter of this state, and the number or mark assigned to such motor vehicle, the letter and figures thereon to be not less than four inches high and each stroke thereof to be not less than one-half inch wide.

CERTIFICATE NUMBER TO BE DISPLAYED ON MOTOR BICYCLE.

SEC. 5. Every motor bicycle shall, at all times while being used or operated upon the public highways of this state, have displayed thereon the initial letter of this state and the number or mark assigned to such motor bicycle, such letter and figures to be at least one inch high and either painted on such motor bicycle or displayed on a plate or marker securely fastened thereto; and no motor bicycle shall be operated with its muffler open.

SECRETARY TO KEEP RECORD OF STATEMENTS FILED AND CERTIFICATES ISSUED.—EXPIRATION OF CERTIFICATE OF REGISTRATION.—NUMBER MAY BE REASSIGNED.

SEC. 6. The secretary of the state shall keep a record of all statements filed with him and of all certificates issued by him, which records shall be open to public inspection; and he shall furnish, from time to time, at cost price, to any person having a motor vehicle registered under the provisions of this act, as many plates or markers as may be required by such person for display upon such motor vehicle. Upon the transfer of ownership of any motor vehicle its certificate of registration shall expire, and said secretary, at his discretion, may reassign the distinguishing mark or number described in such certificate. In the event that any certificate or license issued by said secretary under the provisions of this act shall be lost or destroyed, he shall issue to the person whose certificate or license has been so lost or destroyed a duplicate thereof. In the event that said secretary is unable to immediately furnish any plate or marker provided for by this act to any person entitled

thereto, he may issue a certificate to such person stating that such marker has been ordered and giving the number thereof, and such person may thereafter use a temporary plate or marker, similar in form to the plate or marker provided for by this act, until said plate or marker has been so furnished.

OPERATOR'S LICENSE.

SEC. 7. No person shall operate a motor vehicle upon the public highways of this state until he shall have first obtained a license for that purpose, but nothing herein contained shall prevent the operating of a motor vehicle by an unlicensed person, other than a person whose application has been refused or whose license has been suspended or revoked, if accompanied by a licensed operator, which licensed operator shall also be personally liable for any violation of the provisions of section eleven, twelve, or thirteen of this act. Licenses for operating motor vehicles shall be issued by the secretary of the state, but no license shall be issued to any person under the age of eighteen years. Applications for licenses shall be made upon blanks furnished by said secretary, and said application blanks and said licenses shall be in such form and contain such provisions, not inconsistent with this act, as said secretary may determine. A number shall be assigned to each licensee, and a proper record of all applications for licenses and of all licenses issued shall be kept by said secretary at his office, and shall be open to public inspection. Each license shall state the name, place of residence and post office address of the licensee and the number assigned to him. Said licenses shall continue in force until one year from the date of issue unless suspended or revoked for cause, and shall at all times be carried by the licensee when he is operating a motor vehicle upon the highways of this state, and shall be subject to examination upon demand by any proper officer.

FEEs.

SEC. 8. The following fees shall be paid to the secretary of the state for the certificates and licenses issued by him in accordance with the provisions of this act. Three dollars for

each certificate of registration of a motor vehicle, other than a motor bicycle, having a rating of less than twenty horse power, five dollars for each motor vehicle having a rating of twenty horse power and less than thirty horse power, and ten dollars for each such vehicle having a rating of thirty horse power or more, and if such motor vehicle has two ratings of horse power the registration fee shall be based on the higher rating; fifty cents for each certificate of registration of a motor bicycle, or duplicate thereof; ten dollars for each dealer's certificate; one hundred dollars for each manufacturer's certificate; two dollars for each license to operate a motor vehicle other than a motor bicycle; fifty cents for each license, or duplicate thereof, to operate a motor bicycle; one dollar for each duplicate certificate or license, except for motor bicycles.

REVOCATION OF OPERATOR'S LICENSE. — RECORD OF CONVICTIONS.

SEC. 9. The secretary of the state, or the deputy secretary, may, after due hearing, upon not less than three days' notice in writing, suspend or revoke the license issued to any person under section seven of this act, for any cause which he may deem sufficient; but every applicant for a license whose application shall be refused by said secretary, and every licensee whose license shall be revoked by said secretary or deputy secretary, may appeal to the superior court from such decision, refusal, or revocation. The provisions of section 2658 of the general statutes concerning appeals from decisions of county commissioners shall, in so far as the same are applicable, govern the appeals herein provided for. A full record shall be kept by every court or justice of the peace in this state of every case in which a person is convicted of a violation of any of the provisions of section eleven, twelve, or thirteen of this act, and a certified abstract of such record, the expense of which abstract shall be taxable as costs in such case, shall, within ten days after the date of such conviction, be transmitted by such court or justice of the peace to the secretary of the state. Said courts and

justices of the peace shall furnish to said secretary the details of all flagrant cases which may be heard before them, and they may make such recommendations to said secretary as to the suspension or revocation of the licenses of the parties defendant in such cases as they may deem proper. Said secretary shall keep such records in his office, and they shall be open to public inspection. Whenever any person licensed to operate a motor vehicle upon the public highways of the state shall have been convicted of any violation of section eleven, twelve, or thirteen of this act, said secretary, or the deputy secretary, may revoke the license of such person, and, upon a third conviction within the same calendar year, said person shall, in addition to the penalties for such offense, incur a forfeiture of his license, and the said secretary, or the deputy secretary, shall thereupon revoke and require a return of the same. No person shall, for the period of three months from the date of the revocation of his license be capable of receiving a new license, nor thereafter except in the discretion of said secretary.

USE OF HIGHWAYS OF THIS STATE BY NONRESIDENT OWNERS
OF MOTOR VEHICLES.

SEC. 10. Any nonresident of this state who shall have complied with the laws of the state or territory of the United States in which he resides, requiring the registration of owners of motor vehicles, or of motor vehicles, or of both, and the display of identification numbers on such vehicles, and who shall cause the identification numbers of such state or territory, in accordance with the laws thereof, and none other, together with the initial letter or letters of such state or territory, to be displayed on his motor vehicle while used or operated upon the public highways of this state, may use such highways for a period not to exceed ten successive days at any one time, without complying with the provisions of the foregoing sections of this act; provided, however, that, if any nonresident be convicted of violating any provision of

section eleven, twelve, or thirteen of this act, he shall thereafter be subject to and required to comply with all the provisions of this act relating to the registration of motor vehicles and the licensing of operators thereof.

SPEED OF MOTOR VEHICLES REGULATED.

SEC. 11. No person shall operate a motor vehicle on the public highways of this state recklessly or at a rate of speed greater than is reasonable and proper, having regard to the width, traffic, and use of the highway, or so as to endanger property or the life or limb or any person. If the rate of speed of a motor vehicle operated on the public highways of this state exceeds twenty-five miles an hour for the distance of one-eighth of a mile, such rate of speed shall be *prima facie* evidence that the person operating such motor vehicle is operating the same at a rate of speed greater than is reasonable and proper, and in violation of the provisions of this section.

SPEED TO BE REDUCED OR VEHICLE TO BE STOPPED, WHEN.

SEC. 12. Upon approaching any person walking in the traveled portion of any public highway, or a horse or any other draft animal being led, ridden, or driven therein, or a crossing of intersecting public highways, or a bridge, or a sharp turn, or a curve, or a steep descent, and also in passing such person or such horse or other draft animal, and in traversing such crossing, bridge, turn, curve, or descent, the person operating a motor vehicle shall have the same under control and shall reduce its speed. If such horse or other draft animal being so led, ridden, or driven shall appear to be frightened, or if the person in charge thereof shall signal so to do, the person operating such motor vehicle shall bring the same and the motor or other power propelling the same immediately to a stop and, if traveling in the opposite direction, shall remain stationary so long as may be reasonable to allow such horse or animal to pass, or, if traveling in the same direction, shall use reasonable caution in thereafter

passing such horse or other animal. Upon approaching a bridge, sharp turn, curve, or a steep descent, the person operating a motor vehicle shall give a timely signal with his bell, horn, or other device for signaling.

CERTAIN PERSONS FORBIDDEN TO OPERATE MOTOR VEHICLES.

SEC. 13. No person shall operate a motor vehicle on the public highways of this state, when intoxicated, or in a race, or on a bet or wager.

CITY, TOWN, OR BOROUGH NOT TO MAKE ORDINANCE RESPECTING SPEED OF MOTOR VEHICLE.

SEC. 14. No city, town, or borough shall have power to make any ordinance, by-law, or resolution respecting the speed of motor vehicles, and no ordinance, by-law, or resolution heretofore or hereafter made by any city, town, or borough in respect to motor vehicles shall have any force or effect; provided, however, that powers given to any town, city, or borough to regulate shows, processions, assemblages, or parades in streets and public places, and to regulate the use of public parks, and all ordinances, by-laws, and regulations which may have been or which may be enacted in pursuance of said powers shall remain in full force and effect.

DISPLAY OF MARKERS.

SEC. 15. No motor vehicle, while in use on the public highways of this state, shall have displayed upon either the front or the rear of such vehicle, more than two registration plates or markers, nor shall any person display, or permit to be displayed, upon his motor vehicle the registration number belonging to another vehicle or person, or a fictitious number, plate or marker.

BRAKES, BELL, LIGHTS.

SEC. 16. Every motor vehicle, while in use on the public highways of this state, shall be provided with adequate brakes, and with a suitable bell, horn, or other device for

signaling, and shall, during the period from one hour after sunset to one hour before sunrise, display one or more white lights on the forward part of such vehicle, so placed as to be seen from the front and of sufficient illuminating power to be visible at a distance of two hundred feet; and shall also display, on the rear of such vehicle, a lamp so placed that it shall show a red light from the rear and a white light at the side, and so arranged as to illuminate the rear number or marker.

MOTOR VEHICLE NOT TO BE TAMPERED WITH.

SEC. 17. No person shall interfere or tamper with a motor vehicle without the permission of the owner.

JURISDICTION OF JUSTICE OF THE PEACE.

SEC. 18. In all complaints for the violation of any provision of this act, the justice of the peace before whom the same shall be tried shall have jurisdiction and power to render judgment therein, and issue process of execution and mittimus thereon, where such fine or penalty imposed shall not exceed two hundred dollars, or imprisonment for thirty days, or both; but the defendant shall have the right of appeal as in other cases. The justice of the peace or court before whom a final conviction shall be had under the provisions of section eleven, twelve, or thirteen of this act shall indorse upon the license of the person convicted the date and particulars of such conviction.

PENALTIES.

SEC. 19. Any person violating any provision of section eleven, twelve, or thirteen of this act shall be fined not more than two hundred dollars, or imprisoned not more than thirty days, or both, for a first offense, and shall be fined not more than five hundred dollars, or imprisoned not more than sixty days, or both, for any subsequent offense. Any person violating any other provision of this act shall be fined not more than one hundred dollars, or imprisoned not more than thirty days, or both.

DISPOSITION OF FEES AND OTHER RECEIPTS.

SEC. 20. All registration and license fees, and all fines and penalties, and one-half of all forfeited bonds imposed or received under the provisions of this act, other than such fines and forfeited bonds as are embraced within the provisions of chapter 141 of the public acts of 1903, shall belong to the state and shall be accounted for and remitted to the treasurer of the state to be used, in addition to all sums of money specially appropriated for highway purposes, for the maintenance and repair of improved highways under the direction of the highway commissioner.

BAIL.

SEC. 21. Any person arrested for violating any of the provisions of this act may tender as bail a motor vehicle of which he is the owner, and if such vehicle is of sufficient value it shall be accepted as security for his appearance, in lieu of any other bail.

REASSIGNING OF PRESENT REGISTRATION NUMBER.

SEC. 22. Every owner of one or more motor vehicles who, at the time this act goes into effect, shall have complied with the provisions of chapter 230 of the public acts of 1905, shall, upon the registration, prior to September 1, 1907, of such vehicle or vehicles as provided for in section two of this act, have assigned to such motor vehicle, or to one of such vehicles, the same registration number heretofore issued to such person under the provisions of said chapter 230, and may use upon such vehicle the plates or markers heretofore used, bearing such registration number.

REPEAL.

SEC. 23. Chapters 230, 258, and 282 of the public acts of 1905, and all other acts or parts of acts inconsistent herewith, are hereby repealed.

THIS ACT TAKES EFFECT, WHEN.

SEC. 24. This act shall take effect thirty days after its passage, but no prosecution based upon section two, four, or seven of this act shall be brought for any offense committed prior to September 1, 1907; provided, that the plates or markers required by chapter 230 of the public acts of 1905 are displayed upon such vehicle as required by said chapter 230.

Approved, July 27, 1907.

"RULES OF THE ROAD."

CHAPTER 216.

AN ACT

Concerning the Meeting and Passing of Persons and Vehicles
on Public Highways.

*Be it enacted by the Senate and House of Representatives in
General Assembly convened:*

SECTION 1. Whenever the term "vehicle" is used in this act it shall include bicycles, tricycles, motor bicycles, motor vehicles of all kinds, vehicles drawn by horses or other animals, and all other vehicles used for the carriage of persons or goods, no matter how propelled, excepting only such vehicles as are run only upon rails or tracks.

SEC. 2. Whenever a person walking in the traveled portion of a public highway, or a person riding, driving, or leading a horse or other animal therein, or driving or operating a vehicle therein, shall meet another person thus walking or thus riding, driving, or leading a horse or other animal, or thus driving or operating a vehicle, if such persons are moving in opposite directions each shall slacken his pace, if necessary, and seasonably turn to the right so as to give half of the traveled road, if practicable, and a fair and equal opportunity to pass, to the other; or, if they are moving in the same direction, the person overtaking shall pass on the left side of the person overtaken, and the person overtaken shall, as soon as practicable, turn to the right so as to give half of the traveled road and a free passage on the left, to the other. Any such person shall, at the intersection of public highways, keep to the right of the intersection of the centers of such highways when turning to the right, and pass to the right of such intersection when turning to the left.

SEC. 5. Any person violating any of the provisions of section two of this act shall be fined not more than fifty dollars.

SEC. 6. Sections 2035, 2036, 2037, and 2038 of the general statutes and all other acts and parts of acts inconsistent herewith are hereby repealed.
